About us

OUR MISSION

Allow proven professionals to continue to perform their skills to fulfill corporate and individual financial goals.

OUR VISION

"Creating trusting partnerships, providing quality and value to your customers"

HISTORY

1974- F&M Tool and Plastics, Inc. was founded as a tooling company in Leominster, Massachusetts.

1990- The company started molding for major plastic companies including Dell, Aero, Sterilite, Ames True Temper and United Solutions. The company then purchased two companies, Smartware and Petwares.

2004- Smartware products, a line of Whiskey Barrel, Rain Barrel and Timbers. They are made from 98% post consumer recycle material, such as milk jugs, yogurt cups and computer monitor cases.

2005- Petwares Plus, a line of plastic pet products, from Scoops, Pet Dishes, Litter Pans, and a sturdy Pet Carrier.

2008- Bella Storage Solution was designed, developed and tooled in 2008 offering a full line of Clear Storage, Clear Totes and Solid Totes. Since its creation, Bella Storage Solution has catapulted F&M Tool and Plastics, Inc. sales revenue, quadrupling it's current sales revenue during 4 recession years.

2009- Bella Storage Solution added a line of Storage Carts to complete Bella Storage Solution Signature Collection.

2010- Bella Storage Solution added drawers to it's Carts Collection as well as a line of Locking Lid Clear Storage.

2011- Bella Storage Solution launched a new line of clears beyond the state-of-the-Art: Next Generation in CLEARS.

2012- Bella Storage Solution added 6 completing it's CLEARS Locking Lid Collection.
